I don't know if you're her friend or whatever, but
Don't get in my way. Okay, Yamada-san?
.....!
still loves Kase-san!
I'm back!
Inoue-senpai...

Sorry 'bout that!
What took you, Kase?!
Oh I was just getting something from the club room...
Huh?!
The uniform I use during tournaments!
西高
*West High

I figured this would help me show you just how serious I am, senpai!
It's November
You're gonna wear *that*?!
And why'd you go change in the first place?!
Well, it's a special match after all.
Jeeez
Don't lump me in with people like you, Kase!
Eh?
Gimme the key to the storage room!
Fufufu... Very well, Kase!
I'll go change out of this skirt.
You can just take it off here.
Ow
Like hell I'm doing that!

That hurt
It's fine either way...
Right, Yamada?!
Huh? Yamada?
What're you doing over there?
Won't you come in?
Well...
Don't get in my way, okay?
I'll just watch you from over here.
Nah...

That's true, but
Don't I always come cheer you on during your tournaments?
Huh?
But it's not often that you come to see me run
Creak
Eh?
This is the first time you've come by yourself like this, right?
Mikawa-cchi?
and you leave halfway through
You've always got Mikawa right next to you, too
You're always right at the back of the crowd,

That kinda
makes me happy!
I'll do my best!
Y-
You're running with Inoue-senpai, right?
Yeah.
That's right.
Even though it's the culture festival?
Yep
Today's a good day for it
Thanks to the festival,
alumni can get into the school easily
and no one is using the track

Eh?
She's been mad at me
Inoue-senpai
Ever since her retirement meet last year
She thinks I let her be the 400m representative
That wasn't the case, though
I wouldn't do something like that
I wasn't at my best back then,
but she wouldn't believe me
She thought that I had lost to her on purpose

She looks like she's pretty confident in her college training!
That's why I asked her to have a rematch with me today.
I'm a little scared!
Ahahaha
Is that why they broke up?
So that's what happened...
Clubs...
Squeeze...
that maybe I should have joined a club too...
When I think about how I haven't really done anything these past three years...
I feel a little useless...
glum...
You do a lot during club activities, don't you?
There's a lot of stuff I don't know about sports clubs, too...
I've been thinking all this time...

but you've spent three years being Yamada the plant appointee, right?
We may have spent three years doing track and field,
You know a whole bunch of stuff that we don't!
What are you talking about, Yamada?
tug
Ah
Hey, come on in!
